CHAPTER ____

An act to amend Section 9250.19 of the Vehicle Code, relating to vehicles.

LEGISLATIVE COUNSEL'S DIGEST

AB 2790, Ortiz. Local vehicle fee: Department of Motor Vehicles.

Existing law imposes, upon the adoption of a specified resolution by a county board of supervisors, with certain exceptions, an additional fee of \$1 collected by the Department of Motor Vehicles at the time of vehicle registration, renewal, or supplemental application. Existing law continuously appropriates the money generated by that fee collection to fund local programs that enhance local law enforcement to provide fingerprint identification. This provision is to be repealed on January 1, 2003.

This bill would delete the repeal date and would instead provide that this additional fee shall remain in effect only for a period of 5 years from the date the actual collection commences.

The people of the State of California do enact as follows:

SECTION 1. Section 9250.19 of the Vehicle Code is amended to read:

9250.19. (a) (1) In addition to any other fees specified in this code and the Revenue and Taxation Code, upon the adoption of a resolution pursuant to this subdivision by any county board of supervisors, a fee of one dollar (\$1) shall be paid at the time of registration, renewal, or supplemental application for apportioned registration pursuant to Article 4 (commencing with Section 8050) of Chapter 4 of every vehicle registered to an address within that county except those expressly exempted from payment of registration fees. The fees, after deduction of the administrative costs incurred by

the department in carrying out this section, shall be paid quarterly to the Controller.

(2) A resolution adopted pursuant to paragraph (1) shall include findings as to the purpose of, and the need for, imposing the additional registration fee, and shall identify the date after which the fee shall no longer be imposed.

(b) Notwithstanding Section 13340 of the Government Code, the money paid to the Controller pursuant to subdivision (a) is continuously appropriated, without regard to fiscal years, for disbursement by the Controller to each county that has adopted a resolution pursuant to subdivision (a), based upon the number of vehicles registered, or whose registration is renewed, to an address within that county, or supplemental application for apportioned registration, and, upon appropriation by the Legislature, for the administrative costs of the Controller incurred under this section.

(c) Money allocated to a county pursuant to subdivision (b) shall be expended exclusively to fund programs that enhance the capacity of local law enforcement to provide automated mobile and fixed location fingerprint identification of individuals who may be involved in driving under the influence of alcohol or drugs in violation of Section 23152 or 23153, or vehicular manslaughter in violation of Section 191.5 of the Penal Code or subdivision (c) of Section 192 of the Penal Code, or any combination of those and other vehicle-related crimes, and other crimes committed while operating a motor vehicle.

(d) The data from any program funded pursuant to subdivision (c) shall be made available by the local law enforcement agency to any local public agency that is required by law to obtain a criminal history background of persons as a condition of employment with that local public agency. A local law enforcement agency that provides the data may charge a fee to cover its actual costs in providing that data.

(e) (1) No money collected pursuant to this section shall be used to offset a reduction in any other source of funds for the purposes authorized under this section.

(2) Funds collected pursuant to this section, upon recommendation of local or regional Remote Access Network Boards to the Board of Supervisors, shall be used exclusively for the purchase, by competitive bidding procedures, and the operation of equipment which is compatible with the Department of Justice's Cal-ID master plan, as described in Section 11112.2 of the Penal Code, and the equipment shall interface in a manner that is in compliance with the requirement described in the Criminal Justice Information Services, Electronic Fingerprint Transmission Specification, prepared by the Federal Bureau of Investigation and dated August 24, 1995.

(f) The fee imposed under this section shall remain in effect only for a period of five years from the date that the actual collection of the fee commences, unless a later enacted statute deletes or extends that period.

Approved _____, 1998

Governor
